

TUALATIN VALLEY AREA OF NARCOTICS ANONYMOUS H & I SUBCOMMITTEE GUIDELINES

Definition

The Tualatin Valley Area Hospitals & Institutions (H&I) sub-committee is a group of members from the Fellowship of Narcotics Anonymous (NA).

Purpose

The ultimate purpose of this sub-committee is to carry our message of recovery to addicts whose attendance at regular NA meetings may be restricted. H & I presentations are intended simply to introduce those attending to some of the basics of the Narcotics Anonymous Program.

Our guiding principles are from the 12 Steps, 12 Traditions and 12 Concepts of Narcotics Anonymous, and no activity of this sub-committee shall be in conflict with those principles.

Hospitals and Institutions

These are defined as facilities having residence or confined persons for medical treatment, mental care and therapy, or corrective and rehabilitative purposes with restricted or limited access to regular NA meetings. H&I does not assume responsibility for any presentation conducted by individuals other than members of this Subcommittee and Guest Speakers.

Literature

Only Narcotics Anonymous- approved literature, tapes approved for sale by the WSO, *Reaching Out*, and *The NA Way Magazine* may be taken into a facility by H & I. Literature or any of these other items will be distributed by the literature coordinator as set forth under that job description. Meeting schedules may be taken into some facilities. However, only conference approved literature should be used in the presentations.

Business Meetings

Business meetings of this subcommittee shall be held, not less than once per month and prior to the TVANA Area Service Committee meeting. At a time and place designated by the subcommittee membership. No business meeting shall last longer than 1 hour, except by vote to extend this time limit by members present at said meeting.

It is the member's responsibility to sign in for attendance credit. Clean time for the purpose of this subcommittee shall be construed as freedom from abuse of any mind or mood altering substances. Relapse shall result in immediate loss of privileges and duties from the H&I Subcommittee until clean time and membership requirements are again met.

Responsibilities include:

- A. H&I members select members of the fellowship to be a guest speaker when needed.
- B. Shall report to the panel chair any problems, all guest speaker names, and speaker contact information who will in turn include that information in the regular report to the H & I Subcommittee.
- C. The member is responsible to insure all guest speakers have an understanding of the facility rules, these H & I guidelines, and the H & I 'Do's and Don'ts'.

Ad hoc Members

Ad Hoc members are defined as those members with clearance at a clearance facility and those assigned to ad hoc status by the chairperson.

Voting

Any member of the H & I subcommittee is eligible to vote at all subcommittee meetings.

Elections

Nomination entries will begin in October. Service resumes for H&I Chair nominees must be turned in at the December ASC Meeting. Elections will be held in February. Officers may succeed themselves by re-election only one time. All nominees need to be present at time of nomination and election. Elections for Vice Chair, Secretary, Literature Coordinator, and Panel Chair will follow the same schedule per the Tualatin Valley Area Service Committee Guidelines.

Elected Officers

Members of H & I subcommittee shall be elected each year to fill the following positions:

1. Chairperson
2. Vice Chairperson
3. Secretary
4. Regional H&I Service Representative
5. Literature Coordinator

In all cases, the term of office is one year. All candidates for elected office must meet the qualifications stipulated in these guidelines. When an elected officer becomes unable to discharge the duties of that office, a successor shall be named by the committee at the next business meeting.

Appointed Positions

As necessary, individuals may be appointed by the chairperson in agreement with the Vice Chairperson to positions that fulfill a particular need. When a member is appointed to an officers position he/she is expected to fulfill all duties under the responsibilities listed in these guidelines until the position can be filled by the election process.

Steering Committee/Administration Committee

The steering committee consists of all elected officers, the immediate past Chairperson and all members serving in appointed positions. It is the responsibility of this committee to oversee the operations of H & I. This committee as a whole serves within the spirit of tradition two. This committee shall meet as may be necessary. The time and place shall be at the discretion of the chairperson. However, any member of H & I may request that the chairperson call a special meeting of the committee.

H & I Panels

Panels are formed of H&I Subcommittee members, guest speakers, and organized by the Panel Chair to fulfill presentation commitments. This is accomplished through the operation of panels which visit facilities on a regular schedule as arranged by the Panel Chair. These panels are made of two H & I members and/or an H & I member and a guest speaker.

Other Requirements

Ex-residents of a correctional institution must have the proper clearance from the proper authorities and meet the clean time requirements set by the facility and H & I, to enter a county correctional facility. All H&I members carrying the message through H&I must keep in mind at all times the following general rules which cover ALL meetings in ALL facilities:

1. It is unacceptable to bring any drugs or weapons on the grounds of any facility.
2. It is unacceptable to give money to or take money from any resident.
3. You are not to bring gifts or money in exchange for articles made by residents. If they wish to give you gifts, your grateful thanks are all they are permitted to receive and is generally all they want. You are not to accept article made by residents to be sold on the "outside".
4. It is unacceptable to give or take from any resident any correspondence of any type while visiting the facility.
5. Members and guests should be cautioned against discussing employment, lodging, etc. (either the promise of "looking for" or 'securing of".)
6. Obscene or vulgar talk and off color jokes are deeply frowned upon by the facility and by many of the residents.

Always remember we are GUESTS of the facility and, therefore, MUST comply with their wishes.

These GUIDELINES and PROCEDURES are submitted for the guidance of the H&I membership and guests so that a smooth and consistent program can be maintained for the benefit of addicts being served in hospitals and institutions. Any unusual situations that might arise should be discussed with the elected officers of H&I who in turn, will take steps to get clarification from the facility authorities. Individual members of H&I shall not attempt to discuss any problems encountered in a presentation with the personnel of the facility in question. This is the responsibility and duty of the panel chair. Adherence to these guidelines will minimize confusion and misunderstanding within the H & I membership itself, and with the facilities we serve.

Failure to comply with any facility's regulations could result in the cancellation of the H&I presentation scheduled in that facility. Most regulations covering facilities are clearly defined by statutes. Violations of regulations could bring legal action against violators and put NA in a bad light. Remember your actions reflect not only on yourself, but on NA as a whole. More importantly, adverse performance could well deprive an addict of the help they are seeking from you and other members of NA H & I.
